HOLLYWOOD FREEWAY (US-101) VAN NUYS BOULEVARD OFF-RAMP WIDENING

LOS ANGELES – California Department of Transportation (Caltrans) will open the north- and southbound Van Nuys Boulevard off-ramps late August. These ramps are being widened as part of a project to relieve congestion and improve the flow of traffic. Project completion is estimated by summer's end 2012.

Caltrans advises motorists to "Slow For The Cone Zone."
